Website

Make sure that you check out our website for details on events throughout the year www.cowboysandangelsdanceacademy.com. We will also keep our facebook site updated with notes/reminders etc to make it easier for everyone to keep track of notes etc. Please note that NO paper notes will be provided this year. All information will be accessible on our website or facebook page.

Confirmation of Classes:

We have altered a few classes again this year to meet various requests/requirements. Therefore, we must ensure that we have adequate numbers in each class to enable the class to be run, and will also have to limit class sizes to ensure that each student is able to get the best from the class. We ask that everyone please ensure that they contact us prior to the commencement of classes with their enrolments so that we can identify if any alterations may be required. Please be aware however that it will be first in best dressed and once we reach our limits for each class we may not be able to swap things around to best accommodate you.

Fundraising/Sponsorship:

We will be holding various fundraising events throughout the year, and would greatly appreciate any help that you may be able to provide. Also, if you are involved with a business and would like to sponsor our school in any way, we would love to hear from you.

Supervision:

Students must be under adult supervision at all times. Students should be delivered to, and collected from the hall foyer. Students should not wait in the car park on their own.

Concert 2018:

For those new to our dance school, we hold an annual end of year concert towards the end of the year. We generally will run an evening and matinee performance on the same day, with a dress rehearsal on the Friday afternoon the week prior, exact dates will be confirmed later in the year. This has for the last few years been held at Gladstone Park Secondary College. We expect that all children perform in both concerts, and that they attend the dress rehearsal at the venue the week prior to the concert. Furthermore, costumes for the concert are arranged by us, and we charge a hire fee (of around \$25-\$30 per costume) and costumes are returned to us on the night. We do not however provide shoes/stockings etc.

Boot Purchases:

For those students involved in line dancing classes, a boot order will be arranged if needed at the completion of term 1 (once students have determined enrolment in classes). For those students interested in purchasing the Tan ProDance boots, we can arrange an order of these also. Please note black boots are on average \$60-\$80 (depending upon freight and USD), and tan boots can be either \$180 or \$300 depending upon style you choose. Please contact us directly if you have any queries about which boots may be more appropriate.

Competitions:

Below is a list of the available competitions that are being run throughout Australia in 2018. We would like to get an idea about who is interested in attending each competition within the first few weeks of term 1 so that we can plan for the rest of the year. This also allows us to plan our classes as well as accommodation/flights/travel etc. as they can book out quite quickly.

<i>COMPETITION</i>	<i>LOCATION</i>	<i>DATES</i>
<i>Mayworth</i>	<i>Tamworth</i>	<i>3rd-6th May</i>
<i>Winter WipeOut</i>	<i>Brisbane</i>	<i>9th – 11th June</i>
<i>Southern State Line Dance Championships</i>	<i>Melbourne - Greensborough</i>	<i>21st & 22nd July</i>
<i>NSW Line Dance Championships</i>	<i>Sydney – St Marys</i>	<i>12th-14th October</i>

Social Classes:

We will be running social classes on a casual weekly basis. These classes will run on a rotating roster of dance levels (beginner, intermediate and advanced). These classes will be available to all students of all ages. Classes will be \$5 per week, or you can purchase a casual card for \$50 (12 classes). These classes will be great for any parents wanting to get involved, students wanting to learn some more dances for attendance at socials and competitions, or just for a bit of extra fun.

**We look forward to another successful and enjoyable year at the
Cowboys & Angels Dance Academy!**
