***Fortnightly Classes:***

*We will be trialling fortnightly alternating classes in term one. These will be an exercise class (either Cardio Dance or Stretch and Strengthen) which are open to all ages and all abilities, and Advanced and Social Classes. The social classes will be great for any parents wanting to get involved, students wanting to learn some more dances for attendance at socials and competitions, or just for a bit of fitness and fun. Advanced class will only be available to those who have previously attended in 2020.*

***Confirmation of Classes:***

*As per previous years, we must ensure that we have adequate numbers in each class to enable the class to be run, and will also have to limit class sizes to ensure that each student is able to get the best from the class. Classes may also be adjusted throughout the year to best suit enrolments.*

***Website***

*Make sure that you check out our website for details on events throughout the year [www.cowboysandangelsdanceacademy.com](http://www.cowboysandangelsdanceacademy.com). We will also keep our facebook site updated with reminders etc to make it easier for everyone to keep track of notes etc.*

***Supervision:***

*Students must be under adult supervision at all times. Students should be delivered to, and collected from the hall. Students should not wait in the car park on their own.*

***Competitions:***

*With Covid situation currently, there have been limited confirmed dates for any competitions in Australia. We are hoping that the following competitions will be going ahead and throughout the year we will be working towards routines for these events. Thankyou to those people who have expressed interest in various comps, please keep us updated with your plans so we can ensure we continue to work towards routines appropriately*
